

## FERPA Notice for Directory Information

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that the Greenbush School Department, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's educational records. However, the Greenbush School Department may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the Greenbush School Department to include this type of information from your child's educational records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama publication or music concert;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, naming team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent. <sup>1</sup>

If you do not want the Greenbush School Department to disclose directory information from your child's education records without your prior written consent, you must notify the District in writing by September 30<sup>th</sup> of each school year. The Greenbush School Department has designated the following information as directory information:

- Student's name
- Grade level
- Age
- Photograph
- Participation in activities and/or sports
- Degrees, honors or awards received
