

SCHOOL SUPERINTENDENT

The superintendent shall be the chief executive officer of the school system and shall have, under the direction of the board, general supervision of all of the public schools and of all the personnel and departments of the school system. The superintendent is responsible for the management of the schools under the board's policies and is accountable to the board.

The superintendent, at his/her discretion, may delegate to other school personnel specific functions and duties that are not reserved specifically to the Superintendent by Board policies, statutes or regulations. The delegation of any function or duty, however, shall not relieve the superintendent of responsibility for action taken as a result of such delegation.
