

# Required Opt-Out of State Testing Notice

---

The Helen S. Dunn School utilizes all assessment data to help inform our practices at the district, school, classroom and individual levels for our students. Although we encourage students and parents to participate fully in our assessment program, it is important to note that parents/guardians may opt their child out of **state testing**. If you are interested in doing so, please email Mrs. Smith at [gsmith@hsdgreenbush.org](mailto:gsmith@hsdgreenbush.org) or send in a letter to make this request in writing.
