

WELCOME TO 5th GRADE!

Greeting Students and Parents,

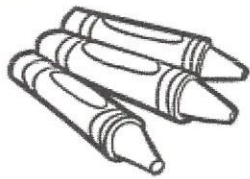

My name is Gail Madden and I will be your 5th grade teacher this year! This will be my 9th year working at the Helen S Dunn school and my 3rd year teaching 5th grade. I am so excited to be teaching this year and I will do everything I can to make this a successful fun year!

As you all know school will look a little different this year. Our school is prepared for in person instruction and remote learning. We ask that you choose one of these options. Both options are outlined in our Re-entry plan that is posted on our website hsdgreenbush.org. I will be teaching both of these options so please don't hesitate to reach out if you have questions.

I have included a supply list. One change to this school year will be no sharing of supplies, so I am asking students to please bring what they can from home.

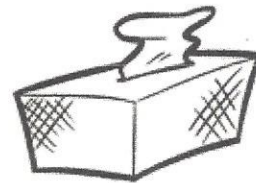

I hope you all have a great rest of the summer and I will see you on the 1st day of school, August 27th

Sincerely, Mrs. Gail Madden
